Connecting with Our Customers

I am pleased to report that fiscal year 2015 marked yet another record-breaking year for Virginia ABC. Agency operations returned a record \$152 million in profits to the Commonwealth, an increase of 8.6 percent over the previous year's \$140 million in profits. In our 17th consecutive record-setting year Virginia ABC realized \$848.1 million in gross sales, \$47.6 million higher than last year. Virginia ABC's profits combined with state taxes, sales tax, and wine and beer taxes, resulted in an all-time high of \$409.3 million transferred to Virginia's general fund, up \$42.4 million from last year.

One of our most notable achievements was the launch of our redesigned website. Working with an award-winning national IT management consulting firm in a highly collaborative process we produced a new site that is enabling Virginia ABC to grow our business, engage with customers and turn information into powerful data assets. Customers may search for stores, determine the availability of products at any of our stores and order distilled spirits online for delivery to the store of their choice.

Also on the digital front, social media played an important role in communicating timely agency news to our many diverse stakeholders. We engaged more than 6,000 Twitter followers with over 1,000 tweets. Our Facebook page with agency photos and links to industry news attracted 3,300 likes.

We celebrated the opening of our 350th store in Tysons Corner as well as four additional new stores that brought our total number of retail outlets to 351. The Tysons Corner store is our first Signature Spirits store. Although intimate in size, the 1,000 square foot store carries 700 category-leading spirits in the 750 milliliter size with more than 45 special order items on its shelves.

We also continued to add to our line of premier stores in Williamsburg and Leesburg, opening one in Virginia Beach in December 2014. As with the agency's other premier retail outlets, the Virginia Beach design reflects the culture and unique characteristics of its location with a coastal theme complete with wave, boardwalk and buoy elements. Product displays in the shape of boats and lighthouses add to the nautical concept and offer customers a truly 21st century shopping experience. Additionally, with our stores around the Commonwealth open from 1–6 p.m. on Sundays, total Sunday sales increased by \$3.8 million, or 8.4 percent, over fiscal year 2014.

Over the course of the fiscal year we introduced Virginians to 142 new products. Our store shelves saw an influx of flavored bourbons and moonshines as well as fine scotches. Despite the new array of products the tastes of customers across the Commonwealth reflected few major shifts. Jack Daniel's 7 Black Tennessee whiskey, which saw \$26.9 million in sales, again topped the list of ABC's top-selling brands.

We continued working with our industry partners and were pleased when Governor McAuliffe signed into law a bill that removed restrictions on distilleries from opening distillery stores and selling their spirits on their licensed premises.

We expanded our education outreach with the launch of a middle school initiative known as BOLT (Being Outstanding Leaders Together). BOLT works with community coalitions to host regional events focused on providing prevention knowledge to stop underage drug and alcohol use.

All said, it was a very good year for Virginia ABC. We continued to provide excellent service to our retail and restaurant customers, expand our partnerships with vendors and brokers and open new and innovative stores. We embrace the future as the Commonwealth's source for distilled spirits.

LEGISLATIVE SYNOPSIS

NEW ALCOHOL-RELATED LAWS—Effective July 1, 2015

Two pieces of business-friendly legislation proposed by the Virginia Department of Alcoholic Beverage Control (ABC) became effective July 1. House bills (HB) 1796 and (HB) 2119, which seek to grow the Virginia spirits industry and improve ABC customer service, were both passed by the General Assembly earlier this year and signed into law by Governor Terry McAuliffe.

DISTILLERY STORES (HB 1796)

This new law allows any distillery to open a store in Virginia. The legislation removes conditions and other restrictions that previously impeded a distillery from opening a store and selling its spirits on the licensed premises. Virginia ABC anticipates this change in the law will help grow the Commonwealth's spirits industry and encourage sales and tourism.

ABC CUSTOMER SERVICE (HB 2119)

A second Virginia ABC-sponsored bill allows the agency to better meet stakeholder expectations and improve customer service. Provisions in the new law include promoting the use of electronic communication with the agency's various stakeholders. It also offers flexibility and other incentives to licensees, including the option of a multi-year license.

Other passed legislation that impacts Virginia ABC and its stakeholders includes:

INFUSION (HB 1439)

This law allows the ABC Board to adopt regulations for the infusion of spirits in a container up to a maximum of 20 liters. It also allows for the creation of a new license for a mixed-beverage restaurant and caterer, advertisement of happy hour products and more. ABC has set up a regulatory process to implement changes in connection with this bill.

PRICING (HB 1440 & SB 899)

This new law allows products sold in Virginia ABC stores to have a price that ends in a nine (9). Prior to this change, prices could only end in a "zero" or "five".

FARM WINE ABV (HB 1634)

This law raises the alcohol by volume limit for farm wine from 18 to 21 percent, which makes it consistent with wine products produced in other states.

BED & BREAKFAST (HB 1645)

This law allows the consumption of lawfully acquired alcoholic beverages by persons to whom overnight lodging is being provided in bedrooms or private guest rooms or other designated areas of the bed and breakfast establishment. This means guests are allowed to "BYOB" on the B&B premises.

(continued)

Law SB 1269

makes it lawful for distilleries to offer tastings of beer, wine and spirits

on their licensed premises if the products are produced there.

Guests are now allowed to BYOB on B&B premises,

per law HB 1645.

TASTINGS (SB 1269)

This new law makes it lawful for distilleries to offer tastings of beer, wine and spirits on their licensed premises if the products are produced there.

PALCOHOL (HB 1908 & SB 1034)

This law expands the definition of alcoholic beverages to include powdered or crystal-line alcohol commonly referred to as “palcohol” and bans the possession and sale of this product in Virginia. The bill contained an emergency provision and became law on April 15, 2015.

HIGHER ED WINERY (SB 1165)

This law allows for the more than 80 accredited institutions of higher learning in Virginia to establish and operate a non-commercial farm winery for strictly educational purposes.

DISTILLERY LICENSES (SB 1272)

This law creates a new license for distilleries that annually manufacture between 5,000 and 36,000 gallons of spirits in Virginia.

MIXED BEVERAGE LICENSE EXTENSIONS (SB 1287)

This law creates an additional mixed beverage license for certain facilities in Abingdon, Emory, St. Paul, Coeburn and multiple locations between Route 11 and Interstate 81 throughout the Shenandoah Valley without requiring a local referendum. It also allows for tastings to be held at an art studio instructional session.

ABC AUTHORITY (HB 1776 & SB 1032)

This new law provides that Virginia ABC will become an authority with all subsequent requirements and stipulations in 2018. The law provides for the appointment of the Board of Directors of the Authority by the Governor, to be confirmed by the General Assembly, and the appointment by the Governor of a chief executive officer of the Authority, also to be confirmed by the General Assembly. It sets the eligibility requirements for appointment of both the Board members and the chief executive officer, including background checks. The Board will no longer be a full-time entity. The law provides for the salary of Board members and the chief executive officer and specifies that Board members and the chief executive officer may only be removed for cause by the Governor. Among other things, the new Authority (i) provides for the transfer of current ABC employees to the Authority, (ii) continues such employees’ participation in the state health plan and VRS, and (iii) sets out the powers and duties of the Authority and the chief executive officer. Additionally, the Authority will be exempt from the provisions and oversight of many of the centralized functions of state government such as procurement and personnel.

Per law SB 1165,
80 ACCREDITED
Virginia institutions
of higher learning are allowed
to establish and operate a
non-commercial
farm winery
for strictly educational purposes.

Law SB 1272 creates a new license
for Virginia distilleries that
annually manufacture between

5,000 and 36,000
GALLONS of spirits.

BUREAU OF LAW ENFORCEMENT

The Bureau of Law Enforcement is charged with enforcing the alcoholic beverage control laws and regulations governing the manufacture, distribution, sale and consumption of alcoholic beverages and tobacco in the Commonwealth. The Bureau’s philosophy of achieving voluntary compliance is achieved by utilizing innovative educational and community partnerships. The division is made up of the following personnel:

Sworn Enforcement Personnel Demographics

White / Caucasian	107 (87%)
Black / African American	11 (9%)
Hispanic	1 (1%)
Asian / Pacific Islander	2 (1.5%)
American Indian / Alaskan native	2 (1.5%)
Total filled sworn positions	123
Non-minority (%)	87
Minority (%)	13

Our sworn agents are supported by 30 civilian staff located in headquarters and at 10 offices across the state. In addition, staff from the Bureau’s licensing, compliance and administrative units served as liaisons to breweries, distilleries and wineries; audited Virginia state alcohol excise tax remissions; processed invoices and renewals; conducted alcohol-related training about state ABC laws; and processed license applications for businesses as well as individuals seeking licenses related to alcohol sale and consumption at private special events.

Training was completed for staff to include: cultural diversity, constitutional law, internal affairs, civil rights for the police officer, integrity centered leadership, leadership for women and training related to Executive Order 40; Use of Force/Law and Legal Application/Upholding Constitutional Rights of Citizens and demonstration of Use of Force training. A total of 1,193.5 hours of training were attended by ABC agents.

Internal controls are important to the Bureau of Law Enforcement. During the year, the Regional SAC’s conducted Staff Line Inspections to ensure accountability with purchases by employees. More than 100 audits of cash procedures for Asset Forfeiture Funds, FDA Funds, Change Account Funds and evidence were completed throughout the state. This was a continuation of the Bureau’s standing process in addition to preparing for future accreditation.

The Bureau revised and implemented a comprehensive evidence storage procedure that includes dedicated evidence technicians, comprehensive tracking and accounting in a

modern records management system and the placement of secured temporary evidence storage locations in 10 ABC stores across the state to provide secure “best practice” evidence storage for field agents.

COMMUNICATIONS

The Communications Division is responsible for internal and external communications, photography and graphic design.

Utilizing tools such as news releases, e-newsletters, social media, website content, internal platform postings and more, the division is committed to providing accurate and timely communications to the media, public and employees.

As primary spokespersons for the agency, Communications wrote and distributed 92 news releases, responded to 1,139 media inquiries and drafted talking points for numerous interviews. The division also provided talking points for 14 board appearances, planned and executed seven store grand opening events and wrote/edited and designed collateral pieces including posters, brochures, booklets and direct mail pieces.

The division supported the agency's internal platform by developing and posting more than 260 articles and managed the agency's social media by posting regularly on Facebook and Twitter.

“ The division wrote and distributed
92 news releases, responded to
1,139 media inquiries...”

In addition to producing the Licensee newsletter, the division awarded an RFP to produce *Spirited Virginia*, a 54-page color magazine. The division also contributed to the agency's website redesign efforts by providing text and photography. In May, Communications was recognized by the Richmond Chapter of the Public Relations Society of America for its media campaign tied to the Bureau of Law Enforcement's Operation: Prevent Impaired Driving.

Seventeen employees representing a cross section of the agency graduated as the third cohort of the agency's Leadership And Management Program (LAMP) in August 2014. The year-long training served as an investment in the professional development of Virginia ABC's emerging leaders. Founded on the principles that informed leaders make better decisions, engaged leaders strengthen organizations and inspired leaders serve their community, LAMP engaged participants in strategic planning, organizational culture, process improvement, project management and community service. LAMPers volunteered their time, on top of their daily agency responsibilities, to lead and complete projects that had a direct impact to the agency.

EDUCATION & PREVENTION SECTION

The mission of the Education and Prevention Section is to eliminate underage and high-risk drinking by building the capacity for communities to educate individuals and prevent alcohol misuse. The section works to accomplish this by providing alcohol education and prevention information, trainings, conferences, grants and resources.

EPS believes that communities can be formed in a variety of settings and that community leaders can regularly and more effectively impact their community. Therefore, the section

offers prevention education, strategic planning knowledge, leadership skill building, resources, subject matter experts and partnerships. Virginia ABC also believes that a multi-faceted approach to alcohol education and prevention is more effective and should include individuals, families, licensees, and communities. The agency offers education and prevention across the lifespan and is proud to provide programming for elementary schools, middle schools, high schools, college students and professionals, parents, those 21 and older, older adults and licensees.

HEARINGS, APPEALS AND JUDICIAL SERVICES

The Hearings, Appeals and Judicial Services Division strives to provide fair, unbiased hearings and other dispute resolution options to ABC stakeholders, including licensees and citizens of the Commonwealth. ABC generally conducts three types of hearings: application hearings concerning the issuance of ABC licenses; disciplinary hearings to determine if a licensee has violated an ABC law or regulation; and franchise hearings to resolve disputes about the terms of distribution agreements between wine or beer manufacturers and their wholesalers. Three alternate dispute resolution procedures are offered, two

in disciplinary cases: at the outset, specified licensees may accept a consent settlement; and later in the hearing process, any licensee can submit an offer in compromise. Finally, mediation services are available in franchise cases. All procedures are conducted fairly and impartially to ensure the hearing officer makes a reasoned decision based on all relevant and material evidence. Administrative hearing officers conduct initial hearings in ABC regional offices throughout the Commonwealth. Appeal hearings and franchise cases are held at the Richmond Central Office.

HUMAN RESOURCES

The Human Resources Division is responsible for managing ABC's most important asset — its employees. The division strives to contribute to the agency's strategic and operating success through creating, encouraging and maintaining an environment that supports, develops and sustains the well-being of ABC employees. The division operates with integrity while concentrating on being highly engaged with all customers in providing quality services in the areas of recruitment/

selection, safety, employee relations, compensation, benefits, compliance with federal and state laws, policy development, human resource information systems and training and development. During fiscal year 2015 Human Resources processed 15,983 applications, facilitated interviews for 3,000 applicants, conducted 1,400 criminal record checks and extended employment offers to approximately 1,254 candidates.

INFORMATION TECHNOLOGY

The Information Technology (IT) Services Division supports the agency mission through the delivery of IT technical services. The division is organized into four distinct service areas. The Business Application Management team is responsible for IT project management, business systems analysis, enterprise architecture, application development, software testing and data services, which includes business intelligence services. This team as a whole primarily manages projects and is responsible for overall service delivery to the other divisions within the agency. The IT Operations team consists of the client services team which supports Point of Sale (POS) systems and store

operations and the production support team, which provides first and second level application support to the divisions within the agency. The IT Business Management team is responsible for reviewing the agency's monthly VITA bill, managing agency software licensing contracts and IT assets and working with the Procurement division in purchasing IT hardware and software for the agency. The Infrastructure Project team submits all work requests and works with the IT partnership to manage internal agency infrastructure projects.

INTERNAL AUDIT

The Internal Audit Division is responsible for developing a comprehensive risk assessment of agency operations and ensuring an adequate system of internal control is established to mitigate and limit identified risk. Based on the risks identified, the division developed and executed an annual audit plan. In addition, it performed financial, operational, IT, security, compliance, and retail reviews. The division conducted all administrative investigations, all state hotline complaints (unless an agency appointed official is involved) and all testing related to ARMICS. Internal Audit also reviewed agency systems for

VITA SEC security requirements and served as a liaison to the agency's external auditor, the Auditor of Public Accounts (APA).

During the past fiscal year Internal Audit assumed oversight responsibility for the agency's information security function which develops and implements IT security policies, standards, guidelines and procedures. The division also monitors IT to ensure that it is in compliance with VITA IT security policy, standards and guidelines, relevant Virginia laws and statutes, and IT best practice and governance requirements.

VIRGINIA ABC
AT A GLANCE

The 2015 Fiscal Year was bookended with visits from two special guests. Governor Terry McAuliffe stopped and greeted employees in Virginia ABC's Central Office on July 7, 2014 and Secretary of Public Safety and Homeland Security Brian Moran visited on June 24, 2015. The Secretary was accompanied by Deputy Secretary Victoria Cochran. Following a demonstration of store technology updates and a warehouse tour, the public safety officials met with employees in the hearings room where they thanked them for their service to the Commonwealth and answered questions. (Left) Betty Christian, an employee with Rock Solid Janitorial, is delighted to meet the Governor. Christian has been on site at Virginia ABC since 2008 and is a familiar face in the agency's Central Office. (Right) Secretary Moran listens as Senior Warehouse Manager Brian Spearman explains the detailed and rigorous process of getting more than 4 million cases of distilled spirits to 351 ABC stores across the state each year.

LICENSE RECORDS MANAGEMENT

The Bureau of Law Enforcement manages License Records Management (LRM) which consists of 20 employees in two sections—License and Records. These sections interact with all aspects of the life of an ABC license from application submission through possible approval, suspension, revocation and surrender.

In fiscal year 2015, the Records section served more than 13,000 walk-in customers and handled more than 23,000 telephone calls. Transactions totaling more than \$5.8 million were cashiered including new banquet and retail applications, license renewals and beer/wine tax payments. The section

processed 17,663 renewal bills, 3,136 underage buyer investigation forms and 5,394 mixed beverage annual review packets. The Records section also responded to 159 Freedom of Information Act requests. The License section processed 2,010 new retail applications during the fiscal year. For each application, the section initiated first contact with the applicant within 24 hours of receiving the application from the Records section. The License section assisted all applicants with the collection of required documents based on the application type and forwarded 1,809 completed applications to the appropriate regional office for investigation by an ABC special agent.

LOGISTICS

The Logistics Division, which includes warehouse operations, inventory control and transportation, special orders, store stocking and business/system support, is responsible for the effective and efficient distribution of alcoholic products to all ABC stores. During this fiscal year, the division's 115 employees shipped 4,553,415 cases to 351 stores across the state and filled special orders that produced \$5,510,083 of revenue, a 26.9 percent increase over fiscal year 2014.

MARKETING

The Marketing Division is responsible for consumer engagement and product management. Consumer engagement includes branding, communications and promotional programs that grow sales while promoting responsible consumption. Product management includes product selection, product delisting, category management, in-store merchandising, and monitoring product performance. Marketing programs the Featured Products and Promotions and the Virginia Products sections of the Virginia ABC website. The Featured Products and Promotions section showcases seasonal cocktail recipes, product information, in-store promotions, and new products. The Virginia Products page showcases the many fine spirits made in the Commonwealth. Marketing launched the Spirited Virginia e-newsletter, and, in partnership with ABC Communications, launched the Spirited Virginia Facebook page. Both efforts speak directly to and engage with the legal drinking age public about new products, cocktail recipes, in-store promotions and special events, in-store tastings, food pairings, and entertaining tips.

(Right) The agency hosted Tim Smith, creator of Climax Moonshine, at three special events in April. The celebrity posed for photos with customers and signed nearly 600 purchased bottles of his popular moonshine at stores in Culpeper, Richmond and Williamsburg.

Marketing rolled out new in-store merchandising standards to provide greater focus to products that are displayed off-shelf. The new efforts are designed to provide retail customers with a more inviting, uncluttered in-store shopping environment while providing them with more product usage information. These efforts have resulted in sales growth for featured products of up to 14 percent. Marketing reviewed more than 434 new items and selected 142 to be added to ABC store shelves.

POLICY, PLANNING AND ANALYSIS

The Policy, Planning and Analysis section (PPA) provides program and decision support services to internal and external customers of the agency. PPA manages and coordinates the analysis, development and maintenance of agency policies; leads the agency in developing, updating, and reviewing its strategic plan; spearheads internal and external customer satisfaction research; and conducts process improvement

efforts. PPA also supports the accomplishment of the agency's mission and objectives by tracking legislation and developing fiscal impact statements; producing reports on sales, product and store performance; coordinating Freedom of Information requests and employee suggestions; and collecting and reporting agency performance measures as required by the Department of Planning and Budget.

PROPERTY MANAGEMENT SERVICES

The Property Management Services (PMS) Division is responsible for management of the Central Office, Warehouse, and Retail Stores. The Division consists of three major concentrations: Initial Site Selection, Negotiation, Leasing and Lease Administration; Facility Management and Maintenance of the Central Office, Retail Stores/Regional Offices; and Construction/Fixture Installation for New Stores, Relocations, and Modernizations. This is accomplished with a staff of 28 individuals, who have approximately 275 combined years of ABC service and experience. PMS is responsible for 19 owned properties, as well as 333 leased retail outlets, and 11 Enforcement Regional Offices. The Director of PMS chairs the Real Estate Committee and works in concert with Virginia's

Commercial Retail Brokerage Community and Landlords, Retail Operations, Logistics, Policy, Planning and Analysis, and Finance to discuss new store and lease activity in an effort to make sound recommendations to the Board. PMS has been instrumental in the "premier" store concept, which provides a different look and feel to our standard stores and is currently working on a design that may be incorporated into all stores. From January 1, 2015 to date, PMS has completed installation of six new stores, performed six store modernizations, eight store relocations, and five flooring replacements.

The Property Management Services fixture crew is comprised of seven employees. Led by project manager John Beck, the team outfits every new ABC store with shelving and counters and installs wiring for computers and cash wraps. The team also handles every remodel, renovation and store relocation. At left is Store 328 in Virginia Beach under renovation. At right is Store 109 in Alexandria prior to its May opening.

PROCUREMENT

The Procurement and Support Services Division's focus is to support Virginia ABC's mission and business strategy by judiciously developing and managing the agency's spending in technology and non-technology goods and services (excluding distilled spirits and real property.) While maintaining compliance with government regulations, the division assists internal customers in accomplishing their goals while improving response time when and where applicable. This requires a continuous improvement focus through the development and performance management of the agency's supply base, early involvement in technology development, coordination of supplier selection decisions and the application of global supply chain management best practice processes. In fiscal year 2015, Virginia ABC developed and/or renewed existing contracts exceeding \$13,000,000 in value. As the agency's administrator of the state's small purchase charge card program, the division

monitored the activities of 129 cardholders with expenditures totaling \$3,158,363, representing approximately 13,300 transactions. In support of the Governor's Executive Order 20: Advancing Equity for Small, Women and Minority Owned Businesses, the division's supplier diversity coordinator attends outreach events contributing to agency's effort to locate and provide contracting opportunities for small businesses. The division also provides key support services such as high volume copy, mail services and the agency's supply and equipment warehouse. The supply and equipment warehouse, which houses and accounts for supplies frequently used by Virginia ABC retail stores and agency offices, processed 12,864 supply orders equating to 216,518 items picked in fiscal year 2015. The mail center processed more than 160,000 pieces of inbound and outbound mail during the fiscal year.

RETAIL

Retail Operations is responsible for the safe and efficient operation of 350+ retail outlets. These retail stores conducted more than 27 million transactions for their retail and licensee customers and were open seven days a week, 361 days a year. The division is made up of approximately 630 classified positions and 2,300 part time employees. Retail Operations is responsible for the interviewing, selection and training of each of these employees. Revenue, Service and Control are at the forefront of every facet of the division. Revenue required for operating the agency is provided by the retail stores. They provided exceptional customer service through a well trained and knowledgeable staff with 89 percent of all customer comments

received on store operations being positive. The Retail Operation's regional managers, on average, responded to any negative customer comments or complaints in less than one full day. The store employees controlled the sale or possession of alcohol by restricting sales to only those who are at least 21 years of age, not intoxicated and not interdicted. These employees conducted more than 4.5 million ID challenges to verify the age of customers and performed at nearly a 98 percent compliance rate when tested in Underage Buyer operations. Virginia ABC remains committed to meeting the Governor's challenge to achieve \$1 billion in sales with increasing profit margins by June 2018.

Flanked by Commissioner Judy Napier and Virginia ABC employees, Chairman Jeff Painter cuts the ribbon for the official opening of Store 390. The grand opening of the Montpelier store in Hanover County marked the agency's 351st store.

The remodel of Store 256 in Virginia Beach resulted in the agency's third premier store. The store features a coastal theme complete with waves, boardwalks and buoys. Product displays in the shape of boats and lighthouses add to the nautical concept. Located in the Hilltop North Shopping Center, this store is the agency's most profitable.

(Top right): Virginia ABC Media Manager Will Moore leads one of the agency's daily stand-up meetings to discuss the progress of website redesign. The project involved Virginia ABC staff from all divisions working diligently to meet the accelerated six-month launch schedule. The redesigned website is not only important in realizing the agency's opportunity to grow business through e-commerce, it is vital in fulfilling Virginia ABC's goal of providing better customer service.

Serving up a Fresh Site

Agency Unveils Redesigned Website with Consumer Focus

Virginia ABC unveiled a fresh and exciting new digital look in March with the launch of its redesigned website. The agency partnered with CapTech, an award-winning national IT management consulting firm, known for bridging the gap between business and technology, for the \$700,000 project.

The redesign process was highly collaborative, designed to help Virginia ABC grow its business, engage with customers and turn information into powerful data assets. CapTech invested a revolving-door total of about 13 individuals, three whom were onsite through the entire redesign. There was a dedicated project team of three ABC employees with nearly 75 contributing to the effort.

Using feedback from the agency's diverse set of customers, Virginia ABC's in-house redesign team and CapTech built a content management system, integrated dozens of applications, developed an online ordering capability and added a customer service section — all in six months. In addition, the team revamped the visual design and information architecture, created a searchable product catalog with photographs and descriptions for items Virginia ABC carries, dramatically improved findability using facets, filters, icons and navigation, and developed a system to capture and utilize emails for marketing purposes.

The website also boasts a number of features designed to enhance the online experience, including the ability to quickly locate a Virginia ABC store, the real-time availability of products in any store, the ability to search the product catalog by brand, size and pricing and the opportunity to order premium and select spirits online for delivery to any store.

This redesign streamlined the information that customers, licensees and employees previously found on the website and made that information easier to find. This took roughly 700 pages of information on the previous website and condensed it to half that number without losing important content. In addition to the six months of work by Virginia ABC employees and their private sector partners, more than 1,500 hours of testing went into making sure the project was a success.

The website redesign is the first completed project in the Governor's plan to reinvest in Virginia ABC as a key agency that provides service to Virginia consumers, produces revenue for the Commonwealth and plays an important role in public safety.

A Message from the Chairman, Chief Operating Officer and Chief Financial Officer

We are pleased to present the fiscal year 2015 annual report for the Virginia Department of Alcoholic Beverage Control (ABC). These facts and figures represent a seventeenth consecutive record-breaking year for retail sales by our agency. In fiscal year 2015, we opened five new stores and modernized 12. Virginia ABC operations returned a record \$152 million in profits to the Commonwealth of Virginia. The agency has contributed more than \$1.9 billion dollars to the Commonwealth in the last five years.

We stand behind these figures with pride in the accomplishments made possible by the hard working and dedicated employees of ABC. To the best of our knowledge, these figures accurately represent the operations of our agency during the fiscal year. The financial statements of the agency are audited annually by the Auditor of Public Accounts as required by the code of Virginia.

(1) Includes state taxes, but does not include 5 percent sales tax.

(2) State taxes on distilled spirits (20 percent) and wine (4 percent) sold in ABC stores.

(3) Store expenses include miscellaneous revenue and net cash overages.

(4) "Rate of return" = (adjusted net profit + state taxes) ÷ gross sales

(1) Includes state taxes, but does not include 5 percent sales tax.

(2) State taxes on distilled spirits (20 percent) and wine (4 percent) sold in ABC stores.

(3) Store expenses include miscellaneous revenue and net cash overages.

(4) "Rate of return" = (adjusted net profit + state taxes) ÷ gross sales

VIRGINIA ABC
AT A GLANCE

In fiscal year 2015, Virginia ABC welcomed a new chief operating officer. Governor Terry McAuliffe appointed Travis G. Hill in September 2014, and he started at the agency the following month. A graduate of the University of North Carolina at Chapel Hill, Hill previously served as Deputy Secretary of Agriculture and Forestry, where he worked with Virginia ABC and Virginia wineries, craft breweries and craft distilleries to promote growth in these industries and increase their use of Virginia-grown products. Prior to his appointment to the administration, Hill worked as an attorney in the Richmond office of Williams Mullen for eight years. Hill believes that the commitment of Virginia ABC's nearly 3,500 employees, and the high-quality work they produce, make the agency a recognized national leader in alcoholic beverage control.

This discussion and analysis of the Virginia Department of Alcoholic Beverage Control's (ABC) financial performance provides a brief overview of financial activities for the fiscal year ended June 30, 2015.

FINANCIAL HIGHLIGHTS

- ABCs operating revenues increased 5.9% in Fiscal Year 2015.
- ABC operations returned record profits to the Commonwealth in Fiscal Year 2015 of \$152.0 million and excise taxes of \$139.9 million. The increase in profits for Fiscal Year 2015 is primarily due to the opening of five new stores and an increase in sales throughout all stores.
- Five new stores opened in Fiscal Year 2015 generating \$1.9 million in additional sales. Seven stores were relocated to improved market areas. Twelve stores were modernized, with one of those also being expanded, and three stores were closed.
- During the 2012 legislation session, the General Assembly passed a new law (HB 896) which allowed the Board to open any Virginia ABC retail location on Sunday. As a result, additional stores have been opened, in phases, over the last several years. Fiscal Year 2015 ended with all stores open on Sundays, with the exception of three primarily licensee stores. Total Sunday sales did increase by \$3.8 million, or 8.4%, from Fiscal Year 2014 to Fiscal Year 2015. It is anticipated that going forward Sunday sales will increase in line with the overall sales growth.
- ABC's operating expenses increased 5.1% in Fiscal Year 2015. The cost of goods sold for alcohol increased \$20.8 million from Fiscal Year 2014, due to the increased sales volume. Personal Service costs increased by 3.5% from Fiscal Year 2014. The increase in Personal Services costs is primarily attributed to increased wage expense directly correlated to the increase in revenue for Fiscal Year 2015. Continuous charges increased by \$1.7 million primarily due to an increase in building rentals due to standard contractual increases in rent as well as the addition of new stores. In addition, Contractual Services increased by \$2.0 million primarily due to an increase in credit card fees and additional Virginia Information Technologies Agency (VITA) costs.

FINANCIAL ANALYSIS

OVERVIEW OF FINANCIAL STATEMENTS

The audited annual report consists of a series of proprietary fund financial statements. The Statement of Net Position provides information about the Department's assets and liabilities and reflects the financial position as of June 30, 2015. The Statement of Revenues, Expenses, and Changes in Net Position reports the operating revenue activity and the expenses related to such activity for the twelve-month period ended June 30, 2015. The Statement of Cash Flows outlines the cash inflows and outflows relating to the operations for the same twelve-month period. The financial statements also include "notes" that provide additional information that is essential to a full understanding of the data provided in the statements. These statements provide current and noncurrent information about ABC's financial position.

- ABC ended Fiscal Year 2015 with a total of \$68.2 million in current assets including \$61.5 million in inventory of alcohol merchandise for resale, a \$3.3 million increase in inventory over Fiscal Year 2014. The increase in inventory is primarily a result of the Advance Buy of inventory. ABC does not purchase the alcohol in our warehouse until it is being shipped to one of our stores. At periodic times throughout the year, vendors offer ABC an opportunity to purchase the inventory that ABC has in our warehouse, prior to the vendor implementing a price increase, called an Advance Buy. At the end of June (Fiscal Year 2015), ABC purchased an additional \$3.5 million of alcohol that was in our warehouse using the Advance Buy. This results in significant savings to the agency, increased profits for the Commonwealth, and a higher inventory value at year-end.
- Current and other assets increased \$2.2 million from last fiscal year, primarily due to a \$3.5 million increase of inventory from the Advance Buy. This was partially offset by reduced prepaid insurance. The increase in Net Capital Assets from Fiscal Year 2015 is largely due to the development and implementation of ABC's new Website, which is part of ABC's e-Commerce strategy to help the agency grow revenues, improve processes, and significantly enhance customer service, including an online ordering feature for products.
- In total, assets increased from \$77.0 million in Fiscal Year 2014 to \$87.2 million in Fiscal Year 2015, largely due to the Advance Buy and to the net effects of GASB 68, Accounting and Financial Reporting for Pensions (see Note 9).

Total net position	(\$72,837,777)	\$1,745,383	(\$74,583,160)

- Total liabilities owed by ABC increased \$84.8 million from last fiscal year, primarily due to the effects of GASB 68 (see Note 9) and also due to current liabilities. The current liability amount is largely represented in accounts payable due to the Advance Buy and the undistributed balance of profits and taxes payable (see Note 4), partially offset by payments due to the Commonwealth for the line of credit repayment.
- ABC lacks working capital (current assets in excess of current liabilities) to fund all business needs at year-end including accelerated payments of taxes and profits before June 30. Given this periodic lack of necessary working capital, ABC depends on a \$60.0 million line of credit with the State Comptroller to meet day-to-day operations. At June 30, 2015, the amount borrowed was \$31.1 million. (see Note 4)

FINANCIAL ANALYSIS, *continued*

Revenue: The vast majority of ABC's revenues come from the sale of alcoholic beverages. These revenues are achieved through the 351 state-run stores located throughout the state. Gross sales including state tax on sales in Fiscal Year 2015 reached an all time high of \$848.1 million, up \$47.6 million over Fiscal Year 2014. The gross revenue after state tax on sales of alcohol increased from \$668.6 million to \$708.4 million or 6.0%. License and permit fees increased from \$12.6 million to \$13.0 million or 2.9%. Wine wholesalers tax increased over last year and there was a decrease in sales of lottery tickets, mixed beverage taxes on common carriers, and federal grants and contracts.

Operating Revenues	Fiscal Year 2015	Fiscal Year 2014	Change
Sales of alcohol	\$708,413,271	\$668,568,655	\$39,844,616

Expenses: In Fiscal Year 2015 operating expenses (not including cost of sales, alcohol and lottery) increased from \$158.2 million to \$165.5 million, an increase of 4.6%. Approximately 71.0% of ABC's total expenses are for the cost of sales of distilled spirits and mixers sold through ABC stores and less than 0.4% for lottery cost of sales. Following cost of merchandise is personal services, which accounts for 17.2% of total expenses. The remaining 11.4% is made up of contractual services (e.g. store rents), continuous charges (utilities) and other miscellaneous charges. Personal Services costs increased primarily due to increased wage expense directly correlated to the increase in revenue for Fiscal Year 2015. Continuous charges increased by \$1.7 million primarily due to an increase in building rentals due to standard contractual increases in rent as well as the addition of new stores. Contractual Services increased by \$2.0 million primarily due to an increase in credit card fees and additional VITA costs.

Profits: Prior to the statutory distribution of quarterly net profits to the General Fund, transfers required in the Appropriation Act for each fiscal year must be executed. In Fiscal Year 2015, approximately \$67.5 million of the agency's \$152.0 million in net profits were transferred to other state agencies. The majority, \$65.4 million, transfers to the Department of Behavioral Health and Developmental Services incurred for care, treatment, study and rehabilitation of alcoholics. The remaining \$84.6 million was distributed to the General Fund in accordance with the Code of Virginia.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGET

- During Fiscal Year 2016, ABC expects to see a slight increase in the retail sales sector, and will continue to monitor mixed beverage licensee sales. ABC is currently forecasting gross sales of \$890.1 million, a 5.0% increase over Fiscal Year 2015.
- ABC expects expenses to continue to increase in Fiscal Year 2016. Expenses such as store rents will increase because of contractual escalation clauses. Health insurance for salaried employees will also increase personal service cost by 1.0% or \$0.7 million. ABC also expects an increase in logistics related expenses, such as additional staff and freight charges, due to the continued expansion of stores and increasing sales volume. The expectation for significant and continued investment in information technology continues as ABC advances existing and future systems and associated infrastructure.
- Appropriation Act profit transfer requirements for Fiscal Year 2016 are \$148.2 million. Risks include economic declines and weather fluctuations, particularly during the holiday season, unforeseen increases in expenses, an aging information technology infrastructure and related audit points, and the central office and warehouse facility reaching capacity.
- The General Assembly approved multiple projects to upgrade ABC's infrastructure and further invest in business operations. These projects include the implementation of retail and marketing strategies to increase customer service and enhance revenue, increased website capabilities, the procurement of a new financial system, the procurement of a new licensing management system, the upgrade of agency stores to broadband technology, and the upgrade of electrical circuitry in agency facilities. These projects are a considerable undertaking, but are imperative to further solidify ABC as a continued source of significant revenue for the Commonwealth.

INDEPENDENT AUDITOR'S REPORT

Report on Financial Statements

We have audited the accompanying financial statements of the **Department of Alcoholic Beverage Control** as of and for the year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise the Department's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

www.apa.virginia.gov | (804) 225-3350 | reports@apa.virginia.gov

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall financial statement presentation.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a reasonable basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Department of Alcoholic Beverage Control as of June 30, 2015, and the changes in financial position and its cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

Relationship to the Commonwealth of Virginia

As discussed in Note 1A, the basic financial statements of the Department are intended to present the financial position, the changes in financial position and cash flows of only that portion of the business-type activities and the aggregate remaining fund information of the Commonwealth of Virginia that is attributable to the transactions of the Department. They do not purport to, and do not, present fairly the Commonwealth of Virginia's overall financial position as of June 30, 2015, and the changes in its financial position and its cash flows, where applicable, for the year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Change in Accounting Principle

As discussed in Note 1.f. to the financial statements, the Department implemented Governmental Accounting Standards Board (GASB) Statement No. 68 and No. 71, related to pension accounting and financial reporting for employers. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis on pages 37 through 40, the Schedule of Employer's Share of

Net Pension Liability on page 64, the Schedule of Employer Contributions on page 64, and the Notes to Required Supplemental Information on page 64 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of the financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

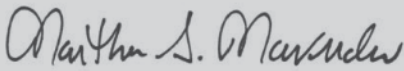

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Department's basic financial statements. The statistical highlights and financial reports sections are presented for the purpose of additional analysis and is not a required part of the basic financial statements.

The statistical highlights and financial reports sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated September 30, 2015, on our consideration of the Department of Alcoholic Beverage Control's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Department's internal control over financial reporting and compliance.

The accompanying Notes to Financial Statements are an integral part of this statement.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Reporting Entity

The Department of Alcoholic Beverage Control administers ABC laws with an emphasis on public service and a focus on public safety by ensuring a safe, orderly, and regulated system for convenient distribution and responsible consumption of alcoholic beverages while generating a reasonable profit for the Commonwealth.

A separate report is prepared for the Commonwealth of Virginia, which includes all agencies, boards, commissions, and authorities over which the Commonwealth exercises or has the ability to exercise oversight authority or is the recipient of their services and/or benefits. The Department is an agency of the Commonwealth of Virginia and is included in the Commonwealth of Virginia’s Comprehensive Annual Financial Report.

B. Fund Accounting

The activities of the Department are accounted for in an enterprise fund. The enterprise fund is used to account for operations that are financed and operated in a manner similar to private business enterprises where the intent of the governing body is that the costs of providing goods and services to the general public on a continuing basis, including depreciation and amortization, be financed or recovered primarily through user charges.

C. Basis of Accounting

The Department’s records are maintained on the accrual basis, with an economic focus, whereby revenues are recognized when earned and expenses are recognized when the liability is incurred.

Operating revenues and expenses include activities related to the sale of alcohol and licenses, as well as enforcement activities. Nonoperating revenues and expenses include activities that have the characteristics of noncapital financing activities, such as the collection of rent, as defined by GASB Statement 9, Reporting Cash Flows of Proprietary and Nonexpendable Trust Funds and Governmental Entities That Use Proprietary Fund Accounting, and GASB Statement 34.

D. Inventories

Merchandise inventory, purchased for resale, is valued at average cost, which is lower than market value.

E. Pensions

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Virginia Retirement System (VRS) State Employee Retirement Plan and the Virginia Law Officers’ System (VaLORS) Retirement Plan; and the additions to/deductions from the VRS State Employee Retirement Plan’s and the VaLORS Retirement Plan’s net fiduciary position have been determined on the same basis as they were reported by VRS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments held by VRS are reported at fair value.

F. Change in Accounting Principle

Net position as of July 1, 2014 has been restated as follows for the implementation of GASB Statement No. 68, Accounting and Financial Reporting for Pensions and GASB Statement No. 71, Pension Transition for Contributions Made Subsequent to the Measurement Date:

Net Position as previously reported at June 30, 2014	\$ 1,745,383
Net Position Restatement:	
Net Pension Liability - June 30, 2013 measurement date	(79,870,000)
Less: Deferred outflows - Fiscal Year 2014 contributions	4,828,000
Total Net Position restatement	<u>(75,042,000)</u>
Net Position as restated, July 1, 2014	<u>\$ (73,296,617)</u>

2. CASH WITH THE TREASURER OF VIRGINIA

All state funds of the Department are held by the Treasurer of Virginia, pursuant to Section 2.2-1800, et. seq., Code of Virginia, who is responsible for the collection, disbursement, custody, and investment of state funds. Each fund's equity in pooled state funds is reported as "Cash and Cash Equivalents" on the Statement of Net Position and is not categorized as to credit risk.

3. CAPITAL ASSETS

The following schedule presents the changes in capital assets by category.

The Department capitalizes all property, plant, and equipment that have a cost or value equal to or greater than \$5,000. The Department capitalizes all intangibles that have a cost or value equal to or greater than \$100,000. Property, plant, equipment, and intangibles are stated at cost and at the time of acquisition are set up in a comprehensive capital asset system. Depreciation of the cost of property, plant, equipment, and intangibles are provided on a straight-line basis over their estimated lives of from ten to thirty years on buildings, from three to eight years on equipment, and from three to five years on intangibles. Intangible assets are defined as assets that lack physical substance, are non-financial in nature and useful lives or benefit period exceed one or more years. Examples of intangible assets are: software, land use rights (right-of-ways) and intellectual property (patents, copyrights and trademarks).

4. DUE TO THE COMMONWEALTH

A. Note Payable

The Department has a line of credit for \$60,000,000 with the Treasurer of Virginia. Repayment is made from revenue collections pursuant to Title 4.1, Chapter 1 of the Code of Virginia. As of June 30, 2015, the Department had outstanding \$31,065,279.09 of its available line of credit to extinguish a cash overdraft.

The following schedule presents the changes in short term debt activity:

<u>Balance at July 01, 2014</u>	<u>Acquired</u>	<u>Deleted</u>	<u>Balance at June 30, 2015</u>
\$26,563,070	\$31,065,279	(\$26,563,070)	\$31,065,279

B. General Fund

The Department collects certain taxes on behalf of the General Fund of the Commonwealth. The state tax on sales is collected from store sales and is paid quarterly to the General Fund of the Commonwealth. The liter tax is collected on wholesalers' direct wine shipments. The 2015 Virginia Acts of Assembly required \$9,141,363 of the gross liter tax to be transferred to the General Fund for expenses incurred for care, treatment, study, and rehabilitation of alcoholics by the Department of Behavioral Health and Development Services and other state agencies. Of the remaining liter tax, twelve percent is retained by the Department and reported as wine wholesalers' tax on the Department's financial statements. The remaining eighty-eight percent is paid to the General Fund of the Commonwealth quarterly. Collections and transfers of state tax on sales and liter tax are not reported on the Statement of Revenues, Expenses, and Changes in Net Position. Activity relating to the amounts due to the General Fund for the year ended June 30, 2015, is summarized below.

	<u>State Tax on Sales</u>	<u>Liter Tax on Wine</u>	<u>Total</u>
Balance due to the General Fund, July 1, 2014	\$2,155,213	\$1,134,290	\$3,289,503
Receipts for fiscal year	139,832,186	35,249,206	175,081,392
Transfers to the General Fund	(139,736,912)	(35,210,656)	(174,947,569)
Balance due to the General Fund, June 30, 2015	\$2,250,486	\$1,172,840	\$3,423,327

C. Department of Taxation – Sales Tax

The Department collects sales tax on all sales of alcohol and remits collections monthly to the Department of Taxation. Sales tax collections and transfers are not reported on the Statement of Revenues, Expenses, and Changes in Net Position. Activity relating to the amounts due to the Department of Taxation for the year ended June 30, 2015, is summarized below.

C. Department of Taxation - Sales Tax (continued)

Balance due to the Department of Taxation, July 1, 2014	\$629,170
Sales Tax Collections	39,199,161
Transfers to the Department of Taxation	(39,362,603)
Balance due to the Department of Taxation, June 30, 2015	<u><u>\$465,728</u></u>

D. Earned Surplus

The Appropriation Act, Chapter 665 of the 2015 Acts of Assembly, requires the Department to transfer an estimate of its fourth quarter profits in the month of June. In accordance with the Alcoholic Beverage Control Act, Section §4.1-116 of the Code of Virginia, the Department transfers any additional net profit to the General Fund of the Commonwealth 50 days after the last day of the quarter. The Department underestimated profit for the fourth quarter resulting in an additional \$8,377,689.84 due to the General Fund at June 30, 2015.

5. LEASE COMMITMENTS

The Department is committed under various operating lease agreements for retail store buildings. Rent expense under operating lease agreements amounted to \$ 23,871,468 for the year. A summary of future obligations under lease agreements as of June 30, 2015, follows.

Year Ending June 30,	
2016	\$21,361,710
2017	17,137,949
2018	12,953,242
2019	9,230,341
2020	5,745,830
2021–2026	9,812,211
Total Obligations	<u><u>\$76,241,284</u></u>

6. COMPENSATED ABSENCES

Compensated absences reflected in the Statement of Net Position represent the amounts of vacation, sick, and compensatory leave earned by employees of the Department, but not taken at June 30, 2015. The amount reflects all earned vacation, sick, and compensatory leave payable under the Commonwealth of Virginia's leave payout policies. Information on the Commonwealth's leave payout policies is available at the statewide level in the Commonwealth of Virginia's Comprehensive Annual Financial Report.

6. COMPENSATED ABSENCES (continued)

Balance at July 01, 2014	Short Term Decrease	Long Term Decrease	Balance at June 30, 2015	Amounts due within one year
\$5,513,607	(\$43,530)	(\$24,670)	\$5,445,407	\$2,832,340

7. SECURITIES LENDING TRANSACTIONS

Investments held by the Treasurer of Virginia represent the Department’s allocated share of cash collateral received and reinvested and securities received for the State Treasury’s securities lending program. Information related to the credit risk of these investments and the State Treasury’s securities lending program is available on a statewide level in the Commonwealth of Virginia’s Comprehensive Annual Financial Report. The Commonwealth’s policy is to record unrealized gains and losses in the General Fund in the Commonwealth’s basic financial statements. When gains or losses are realized, the actual gains and losses are recorded by the affected agencies.

8. COLLECTIONS OF MALT BEVERAGE TAX

During the year ended June 30, 2015, the Department earned \$42,948,462 in malt beverage taxes. These funds are deposited by the Department directly with the Treasurer of Virginia for credit to the General Fund of the Commonwealth and are not available to the Department to meet current operating needs and are not included in the financial statements.

9. PENSION PLAN AND OTHER POST RETIREMENT BENEFITS

The employees of the Department are employees of the Commonwealth. The employees participate in either a defined benefit plan or a hybrid plan, both administered by the Virginia Retirement System (VRS). The VRS also administers life insurance and health related plans for retired employees. Information related to these plans is available on a statewide level only in the Commonwealth of Virginia’s Comprehensive Annual Financial Report. The Commonwealth, not the Department, has overall responsibility for contributions to these plans.

Plan Description

All full-time, salaried permanent employees of state agencies are automatically covered by VRS State Employee Retirement Plan or the VaLORS Retirement Plan upon employment. These plans are administered by the Virginia Retirement System (the System) along with plans for other employer groups in the Commonwealth of Virginia. Members earn one month of service credit for each month they are employed and for which they and their employer are pay contributions to VRS. Members are eligible to purchase prior service, based on specific criteria a defined in the Code of Virginia, as amended. Eligible prior service that may be purchased includes prior public service, active military service, certain periods of leave, and previously refunded service.

The System administers three different benefit structures for covered employees in the VRS State Employee Retirement Plan – Plan 1, Plan 2, and, Hybrid and two different benefit structures for covered employees in the VaLORS Retirement Plan – Plan 1 and Plan 2. Each of these benefit structures has a different eligibility criteria. The specific information for each plan and the eligibility for covered groups within each plan are set out in the following pages:

9. PENSION PLAN AND OTHER POST RETIREMENT BENEFITS *(continued)***Retirement Plan Provisions By Plan Structure****About Plan 1**

Plan 1 is a defined benefit plan. The retirement benefit is based on a member's age, creditable service and average final compensation at retirement using a formula. Employees are eligible for Plan 1 if their membership date is before July 1, 2010, and they were vested as of January 1, 2013.

Eligible Members

Employees are in Plan 1 if their membership date is before July 1, 2010, and they were vested as of January 1, 2013.

Hybrid Opt-In Election

VRS non-hazardous duty covered Plan 1 members were allowed to make an irrevocable decision to opt into the Hybrid Retirement Plan during a special election window held January 1 through April 30, 2014.

The Hybrid Retirement Plan's effective date for eligible Plan 1 members who opted in was July 1, 2014.

If eligible deferred members returned to work during the election window, they were also eligible to opt into the Hybrid Retirement Plan.

Members who were eligible for an optional retirement plan (ORP) and had prior service under Plan 1 were not eligible to elect the Hybrid Retirement Plan and remain as Plan 1 or ORP.

Retirement Contributions

State employees, excluding state elected officials, and optional retirement plan participants, contribute 5% of their compensation each month to their member contribution account through a pre-tax salary reduction. Member contributions are tax-deferred until they are withdrawn as part of a retirement benefit or as a refund. The employer makes a separate actuarially determined contribution to VRS for all covered employees. VRS invests both member and employer contributions to provide funding for the future benefit payment.

Creditable Service

Creditable service includes active service. Members earn creditable service for each month they are employed in a covered position. It also may include credit for prior service the member has purchased or additional creditable service the member was granted. A member's total creditable service is one of the factors used to determine their eligibility for retirement and to calculate their retirement benefit. It also may count toward eligibility for the health insurance credit in retirement, if the employer offers the health insurance credit.

Vesting

Vesting is the minimum length of service a member needs to qualify for a future retirement benefit. Members become vested when they have at least five years (60 months) of creditable service. Vesting means members are eligible to qualify for retirement if they meet the age and service requirements for their plan. Members also must be vested to receive a full refund of their member contribution account balance if they leave employment and request a refund.

Members are always 100% vested in the contributions that they make.

Calculating the Benefit

The Basic Benefit is calculated based on a formula using the member's average final compensation, a retirement multiplier and total service credit at retirement. It is one of the benefit payout options available to a member at retirement.

An early retirement reduction factor is applied to the Basic Benefit if the member retires with a reduced retirement benefit or selects a benefit payout option other than the Basic Benefit.

Average Final Compensation

A member's average final compensation is the average of the 36 consecutive months of highest compensation as a covered employee.

Retirement Plan Provisions By Plan Structure *(continued)* — **About Plan 1****Service Retirement Multiplier**

- **VRS:** The retirement multiplier is a factor used in the formula to determine a final retirement benefit. The retirement multiplier for non-hazardous duty members is 1.7%.
- **VaLORS:** The retirement multiplier for VaLORS employees is 1.70% or 2.00%.

Normal Retirement Age

- **VRS:** Age 65.
- **VaLORS:** Age 60.

Earliest Unreduced Retirement Eligibility

- **VRS:** Age 65 with at least five years (60 months) of creditable service or at age 50 with at least 30 years of creditable service.
- **VaLORS:** Age 60 with at least five years of creditable service or age 50 with at least 25 years of creditable service.

Earliest Reduced Retirement Eligibility

- **VRS:** Age 55 with at least five years (60 months) of creditable service or age 50 with at least 10 years of creditable service.
- **VaLORS:** 50 with at least five years of creditable service.

Cost-of-Living Adjustment (COLA) in Retirement

The Cost-of-Living Adjustment (COLA) matches the first 3% increase in the Consumer Price Index for all Urban Consumers (CPI-U) and half of any additional increase (up to 4%) up to a maximum COLA of 5%.

Eligibility:

For members who retire with an unreduced benefit or with a reduced benefit with at least 20 years of creditable service, the COLA will go into effect on July 1 after one full calendar year from the retirement date.

For members who retire with a reduced benefit and who have less than 20 years of creditable service, the COLA will go into effect on July 1 after one calendar year following the unreduced retirement eligibility date.

Exceptions to COLA Effective Dates:

The COLA is effective July 1 following one full calendar year (January 1 to December 31) under any of the following circumstances:

- The member is within five years of qualifying for an unreduced retirement benefit as of January 1, 2013.
- The member retires on disability.
- The member retires directly from short-term or long-term disability under the Virginia Sickness and Disability Program (VSDP).
- The member is involuntarily separated from employment for causes other than job performance or misconduct and is eligible to retire under the Workforce Transition Act or the Transitional Benefits Program.
- The member dies in service and the member's survivor or beneficiary is eligible for a monthly death-in-service benefit. The COLA will go into effect on July 1 following one full calendar year (January 1 to December 31) from the date the monthly benefit begins.

Disability Coverage

Members who are eligible to be considered for disability retirement and retire on disability, the retirement multiplier is 1.7% on all service, regardless of when it was earned, purchased or granted.

Most state employees are covered under the Virginia Sickness and Disability Program (VSDP), and are not eligible for disability retirement.

VSDP members are subject to a one-year waiting period before becoming eligible for non-work-related disability benefits.

Retirement Plan Provisions By Plan Structure *(continued)* — **About Plan 1****Purchase of Prior Service**

Members may be eligible to purchase service from previous public employment, active duty military service, an eligible period of leave or VRS refunded service as creditable service in their plan. Prior creditable service counts toward vesting, eligibility for retirement and the health insurance credit. Only active members are eligible to purchase prior service. When buying service, members must purchase their most recent period of service first. Members also may be eligible to purchase periods of leave without pay.

About Plan 2

Plan 2 is a defined benefit plan. The retirement benefit is based on a member's age, creditable service and average final compensation at retirement using a formula. Employees are eligible for Plan 2 if their membership date is on or after July 1, 2010, or their membership date is before July 1, 2010, and they were not vested as of January 1, 2013.

Eligible Members

Employees are in Plan 2 if their membership date is on or after July 1, 2010, or their membership date is before July 1, 2010, and they were not vested as of January 1, 2013.

Hybrid Opt-In Election

Eligible Plan 2 members were allowed to make an irrevocable decision to opt into the Hybrid Retirement Plan during a special election window held January 1 through April 30, 2014.

The Hybrid Retirement Plan's effective date for eligible Plan 2 members who opted in was July 1, 2014.

If eligible deferred members returned to work during the election window, they were also eligible to opt into the Hybrid Retirement Plan.

Members who were eligible for an optional retirement plan (ORP) and have prior service under Plan 2 were not eligible to elect the Hybrid Retirement Plan and remain as Plan 2 or ORP.

Retirement Contributions

State employees contribute 5% of their compensation each month to their member contribution account through a pre-tax salary reduction.

Creditable Service

Same as Plan 1 (page 52).

Vesting

Average Final Compensation

A member's average final compensation is the average of their 60 consecutive months of highest compensation as a covered employee.

Service Retirement Multiplier

- **VRS:** Same as Plan 1 for service earned, purchased or granted prior to January 1, 2013. For non-hazardous duty members the retirement multiplier is 1.65% for creditable service earned, purchased or granted on or after January 1, 2013.
- **VaLORS:** The retirement multiplier for VaLORS employees is 2.00%.

Normal Retirement Age

- **VRS:** Normal Social Security retirement age.
- **VaLORS:** Same as Plan 1 (page 53).

Retirement Plan Provisions By Plan Structure *(continued)* — **About Plan 2****Earliest Unreduced Retirement Eligibility**

- **VRS:** Normal Social Security retirement age with at least five years (60 months) of creditable service or when their age and service equal 90.
- **VaLORS:** Same as Plan 1 (page 53).

Earliest Reduced Retirement Eligibility

- **VRS:** Age 60 with at least five years (60 months) of creditable service.
- **VaLORS:** Same as Plan 1 (page 53).

Cost-of-Living Adjustment (COLA) in Retirement

The Cost-of-Living Adjustment (COLA) matches the first 2% increase in the CPI-U and half of any additional increase (up to 2%), for a maximum COLA of 3%.

Eligibility: Same as Plan 1 (page 53).

Exceptions to COLA Effective Dates: Same as Plan 1 (page X).

Disability Coverage

Members who are eligible to be considered for disability retirement and retire on disability, the retirement multiplier is 1.65% on all service, regardless of when it was earned, purchased or granted.

Most state employees are covered under the Virginia Sickness and Disability Program (VSDP), and are not eligible for disability retirement.

VSDP members are subject to a one-year waiting period before becoming eligible for non-work related disability benefits.

Purchase of Prior Service: Same as Plan 1 (page 54).

About the Hybrid Retirement Plan

The Hybrid Retirement Plan combines the features of a defined benefit plan and a defined contribution plan. Most members hired on or after January 1, 2014 are in this plan, as well as Plan 1 and Plan 2 members who were eligible and opted into the plan during a special election window. (see "Eligible Members")

- The defined benefit is based on a member's age, creditable service and average final compensation at retirement using a formula.
- The benefit from the defined contribution component of the plan depends on the member and employer contributions made to the plan and the investment performance of those contributions.
- In addition to the monthly benefit payment payable from the defined benefit plan at retirement, a member may start receiving distributions from the balance in the defined contribution account, reflecting the contributions, investment gains or losses, and any required fees.

Eligible Members

Employees are in the Hybrid Retirement Plan if their membership date is on or after January 1, 2014. This includes:

- State employees*
- Members in Plan 1 or Plan 2 who elected to opt into the plan during the election window held January 1-April 30, 2014; the plan's effective date for opt-in members was July 1, 2014

***Non-Eligible Members**

Some employees are not eligible to participate in the Hybrid Retirement Plan. They include:

- Members of the Virginia Law Officers' Retirement System (VaLORS)

Those employees eligible for an optional retirement plan (ORP) must elect the ORP plan or the Hybrid Retirement Plan. If these members have prior service under Plan 1 or Plan 2, they are not eligible to elect the Hybrid Retirement Plan and must select Plan 1 or Plan 2 (as applicable) or ORP.

Retirement Plan Provisions By Plan Structure *(continued)* — **About Hybrid Retirement Plan****Retirement Contributions**

A member's retirement benefit is funded through mandatory and voluntary contributions made by the member and the employer to both the defined benefit and the defined contribution components of the plan. Mandatory contributions are based on a percentage of the employee's creditable compensation and are required from both the member and the employer. Additionally, members may choose to make voluntary contributions to the defined contribution component of the plan, and the employer is required to match those voluntary contributions according to specified percentages.

Creditable Service**Defined Benefit Component:**

Under the defined benefit component of the plan, creditable service includes active service. Members earn creditable service for each month they are employed in a covered position. It also may include credit for prior service the member has purchased or additional creditable service the member was granted. A member's total creditable service is one of the factors used to determine their eligibility for retirement and to calculate their retirement benefit. It also may count toward eligibility for the health insurance credit in retirement, if the employer offers the health insurance credit.

Defined Contributions Component:

Under the defined contribution component, creditable service is used to determine vesting for the employer contribution portion of the plan.

Vesting**Defined Benefit Component:**

Defined benefit vesting is the minimum length of service a member needs to qualify for a future retirement benefit. Members are vested under the defined benefit component of the Hybrid Retirement Plan when they reach five years (60 months) of creditable service. Plan 1 or Plan 2 members with at least five years (60 months) of creditable service who opted into the Hybrid Retirement Plan remain vested in the defined benefit component.

Defined Contributions Component:

Defined contribution vesting refers to the minimum length of service a member needs to be eligible to withdraw the employer contributions from the defined contribution component of the plan.

Members are always 100% vested in the contributions that they make.

Upon retirement or leaving covered employment, a member is eligible to withdraw a percentage of employer contributions to the defined contribution component of the plan, based on service.

- After two years, a member is 50% vested and may withdraw 50% of employer contributions.
- After three years, a member is 75% vested and may withdraw 75% of employer contributions.
- After four or more years, a member is 100% vested and may withdraw 100% of employer contributions.

Distribution is not required by law until age 70½.

Calculating the Benefit

Defined Benefit Component: See definition under Plan 1 (page 52).

Defined Contribution Component: The benefit is based on contributions made by the member and any matching contributions made by the employer, plus net investment earnings on those contributions.

Average Final Compensation

Same as Plan 2. It is used in the retirement formula for the defined benefit component of the plan.

Retirement Plan Provisions By Plan Structure *(continued)* — **About Hybrid Retirement Plan****Service Retirement Multiplier****Defined Benefit Component:**

- **VRS:** The retirement multiplier for the defined benefit component is 1.0%. For members who opted into the Hybrid Retirement Plan from Plan 1 or Plan 2, the applicable multipliers for those plans will be used to calculate the retirement benefit for service credited in those plans.
- **VaLORS:** Not applicable.

Defined Contribution Component: Not applicable.

Normal Retirement Age**Defined Benefit Component:**

- **VRS:** Same as Plan 2.
- **VaLORS:** Not applicable.

Defined Contribution Component:

Members are eligible to receive distributions upon leaving employment, subject to restrictions.

Earliest Unreduced Retirement Eligibility**Defined Benefit Component:**

- **VRS:** Normal Social Security retirement age and have at least five years (60 months) of creditable service or when their age and service equal 90.
- **VaLORS:** Not applicable.

Defined Contribution Component:

Members are eligible to receive distributions upon leaving employment, subject to restrictions.

Earliest Unreduced Retirement Eligibility**Defined Benefit Component:**

- **VRS:** Age Members may retire with a reduced benefit as early as age 60 with at least five years (60 months) of creditable service.
- **VaLORS:** Not applicable.

Defined Contribution Component:

Members are eligible to receive distributions upon leaving employment, subject to restrictions.

Cost-of-Living Adjustment (COLA) in Retirement

Defined Benefit Component: Same as Plan 2.

Defined Contribution Component: Not applicable.

Eligibility: Same as Plan 1 and Plan 2 (page 53).

Exceptions to COLA Effective Dates: Same as Plan 1 and Plan 2 (page 53).

Disability Coverage

State employees (including Plan 1 and Plan 2 opt-ins) participating in the Hybrid Retirement Plan are covered under the Virginia Sickness and Disability Program (VSDP), and are not eligible for disability retirement.

Hybrid members (including Plan 1 and Plan 2 opt-ins) covered under VSDP are subject to a one-year waiting period before becoming eligible for non-work-related disability benefits.

Retirement Plan Provisions By Plan Structure *(continued)* — **About Hybrid Retirement Plan****Purchase of Prior Service**

Defined Benefit Component: Same as Plan 1, with the following exceptions:

- Hybrid Retirement Plan members are ineligible for ported service.
- The cost for purchasing refunded service is the higher of 4% of creditable compensation or average final compensation.
- Plan members have one year from their date of hire or return from leave to purchase all but refunded prior service at approximate normal cost./After that on-year period, the rate for most categories of service will change to actuarial cost.

Defined Contribution Component: Not applicable.

Contributions

The contribution requirement for active employees is governed by §51.1-145 of the Code of Virginia, as amended, but may be impacted as a result of funding provided to state agencies by the Virginia General Assembly. Employees are required to contribute 5.00% of their compensation toward their retirement. Prior to July 1, 2012, the 5.00% member contribution was paid by the employer. Beginning July 1, 2012 state employees were required to pay the 5.00% member contribution and the employer was required to provide a salary increase equal to the amount of the increase in the employee-paid member contribution. Each state agency's contractually required contribution rate for the year ended June 30, 2015 was 12.33% of covered employee compensation for employees in the VRS State Employee Retirement Plan and 17.67% of covered employee compensation for employees in the VaLORS Retirement Plan. These rates were based on an actuarially determined rate from an actuarial valuation as of June 30, 2015. The actuarial rate for the VRS State Employee Retirement Plan was 15.80% and the actuarial rate for VaLORS Retirement Plan was 21.06%. The actuarially determined rate, when combined with employee contributions, was expected to finance the costs of benefits earned by employee during the year, with an additional amount to finance any unfunded accrued liability. Based on the provisions of §51.1-145 of the Code of Virginia, as amended, the contributions for the VRS State Employee Retirement Plan were funded at 78.02% of the actuarial rate and the contributions for the VaLORS Retirement Plan were funded at 83.88% of the actuarial rate for the year ended June 30, 2015. Contributions from the state agency to the VRS State Employee Retirement Plan were \$4,863,085 and \$3,480,000 for the years ended June 30, 2015 and June 30, 2014, respectively. Contributions from the state agency to the VaLORS Retirement Plan were \$1,189,987 and \$1,348,000 for the years ended June 30, 2015 and June 30, 2014, respectively.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At June 30, 2015, the state agency reported a liability of \$56,734,000 for its proportionate share of the VRS State Employee Retirement Plan Net Pension Liability and a liability of \$13,470,000 for its proportionate share of the VaLORS Retirement Plan Net Pension Liability. The Net Pension Liability was measured as of June 30, 2014 and the total pension liability used to calculate the Net Pension Liability was determined by an actuarial valuation as of that date. The state agency's proportion of the Net Pension Liability was based on the state agency's actuarially determined employer contributions to the pension plan for the year ended June 30, 2014 relative to the total of the actuarially determined employer contributions for all participating employers. At June 30, 2014, the state agency's proportion of the VRS State Employee Retirement Plan was 1.0134% as compared to .99945% at June 30, 2013. At June 30, 2014, the state agency's proportion of the VaLORS Retirement Plan was 1.99811% as compared to 1.89887% at June 30, 2013.

For the year ended June 30, 2015, the state agency recognized pension expense of \$4,032,000 for the VRS State Employee Retirement Plan and \$1,432,000 for the VaLORS Retirement Plan. Since there was a change in proportionate share between June 30, 2013 and June 30, 2014, a portion of the pension expense was related to deferred amounts from changes in proportion and from differences between employer contributions and the proportionate share of employer contributions.

9. PENSION PLAN AND OTHER POST RETIREMENT BENEFITS (continued)

At June 30, 2015, the state agency reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	0	0
Change in assumptions	0	0
Net difference between projected and actual earnings on pension plan investments	0	11,521,000
Changes in proportion and differences between		
Employer contributions and proportionate share of contributions	1,219,000	0
Employer contributions subsequent to the measurement date	6,053,072	0
Total	\$7,272,072	\$11,521,000

\$6,053,072 reported as deferred outflows of resources related to pensions resulting from the state agency’s contributions subsequent to the measurement date will be recognized as a reduction of the Net Pension Liability in the year ended June 30, 2016. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Year Ended June 30

2016	\$2,439,000
2017	\$2,439,000
2018	\$2,546,000
2019	\$2,878,000

Actuarial Assumptions

The total pension liability for the VRS State Employee Retirement Plan was based on an actuarial valuation as of June 30, 2013, using the Entry Age Normal actuarial cost method and the following assumptions, applied to all periods included in the measurement and rolled forward to the measurement date of June 30, 2014.

Inflation	2.5 percent
Salary increases, including Inflation	3.5 percent – 5.35 percent
Investment rate of return	7.0 percent, net of pension plan investment expense, including inflation*

* Administrative expenses as a percent of the market value of assets for the last experience study were found to be approximately 0.06% of the market assets for all of the VRS plans. This would provide an assumed investment return rate for GASB purposes of slightly more than the assumed 7.0%. However, since the difference was minimal, and a more conservative 7.0% investment return assumption provided a projected plan net position that exceeded the projected benefit payments, the long-term expected rate of return on investments was assumed to be 7.0% to simplify preparation of pension liabilities.

Mortality rates:

Pre-Retirement:

RP-2000 Employee Mortality Table Projected with Scale AA to 2020 with males set forward 2 years and females were set back 3 years.

Post-Retirement:

RP-2000 Combined Mortality Table Projected with Scale AA to 2020 with females set back 1 year.

Post-Disablement:

RP-2000 Disability Life Mortality Table Projected to 2020 with males set back 3 years and no provision for future mortality improvement

The actuarial assumptions used in the June 30, 2013 valuation were based on the results of an actuarial experience study for the period from July 1, 2008 through June 30, 2012. Changes to the actuarial assumptions as a result of the experience study are as follows:

- Update mortality table
- Decrease in rates of service retirement
- Decrease in rates of withdrawals for less than 10 years of service
- Decrease in rates of male disability retirement
- Reduce rates of salary increase by 0.25% per year

Net Pension Liability

The net pension liability (NPL) is calculated separately for each system and represents that particular system’s total pension liability determined in accordance with GASB Statement No. 67, less that system’s fiduciary net position. As of June 30, 2014, NPL amounts for the VRS State Employee Retirement Plan and the VaLORS Retirement Plan are as follows (amounts expressed in thousands):

	State Employee Retirement Plan	VaLORS Retirement Plan
Total Pension Liability	\$ 21,766,933	\$ 1,824,577
Plan Fiduciary Net Position	16,168,535	1,150,450
Employers’ Net Pension Liability (Asset)	<u>\$ 5,598,398</u>	<u>\$ 674,127</u>
Plan Fiduciary Net Position as a Percentage of the Total Pension Liability	74.28%	63.05%

The total pension liability is calculated by the System’s actuary, and each plan’s fiduciary net position is reported in the System’s financial statements. The net pension liability is disclosed in accordance with the requirements of GASB Statement No. 67 in the System’s notes to the financial statements and required supplementary information.

Long-Term Expected Rate of Return

The long-term expected rate of return on pension System investments was determined using a log-normal distribution analysis in which best-estimate ranges of expected future real rates of return (expected returns, net of pension System investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target asset allocation and best estimate of arithmetic real rates of return for each major asset class are summarized in the following table:

Asset Class (Strategy)	Target Allocation	Arithmetic Long-Term Expected Rate of Return	Weighted Average Long-Term Expected Rate of Return
U.S. Equity	19.50%	6.46%	1.26%
Developed Non U.S. Equity	16.50%	6.28%	1.04%
Emerging Market Equity	6.00%	10.00%	0.60%
Fixed Income	15.00%	0.09%	0.01%
Emerging Debt	3.00%	3.51%	0.11%
Rate Sensitive Credit	4.50%	3.51%	0.16%
Non Rate Sensitive Credit	4.50%	5.00%	0.23%
Convertibles	3.00%	4.81%	0.14%
Public Real Estate	2.25%	6.12%	0.14%
Private Real Estate	12.75%	7.10%	0.91%
Private Equity	12.00%	10.41%	1.25%
Cash	1.00%	-1.50%	-0.02%
	<u>100.00%</u>		<u>5.83%</u>

Inflation 2.50%

*Expected arithmetic nominal return 8.33%

*Using stochastic projection results provides an expected range of real rates of return over various time horizons. Looking at one year results produces an expected real return of 8.33% but also has a high standard deviation, which means there is high volatility. Over larger time horizons the volatility declines significantly and provides a median return of 7.44%, including expected inflation of 2.50%.

Discount Rate

The discount rate used to measure the total pension liability was 7.00%. The projection of cash flows used to determine the discount rate assumed that System member contributions will be made per the VRS Statutes and the employer contributions will be made in accordance with the VRS funding policy at rates equal to the difference between actuarially determined contribution rates adopted by the VRS Board of Trustees and the member rate. Through the fiscal year ending June 30, 2018, the rate contributed by the state agency for the VRS State Employee Retirement Plan and the VaLORS Retirement Plan will be subject to the portion of the VRS Board-certified rates that are funded by the Virginia General Assembly. From July 1, 2018 on, all agencies are assumed to contribute 100% of the actuarially determined contribution rates. Based on those assumptions, the pension plan’s fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore the long-term expected rate of return was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the State Agency’s Proportionate Share of the Net Pension Liability to Changes in the Discount Rate

The following presents the state agency’s proportionate share of the VRS State Employee Retirement Plan net pension liability using the discount rate of 7.00%, as well as what the state agency’s proportionate share of the net pension liability would be if it were calculated using a discount rate that is one percentage point lower (6.00%) or one percentage point higher (8.00%) than the current rate:

	1.00% Decrease (6.00%)	Current Discount Rate (7.00%)	1.00% Increase (8.00%)
State agency's proportionate share of the VRS State Employee Retirement Plan			
Net Pension Liability	\$83,111,000	\$56,734,000	\$34,618,000

The following presents the state agency's proportionate share of the VaLORS Retirement Plan net pension liability using the discount rate of 7.00%, as well as what the state agency's proportionate share of the net pension liability would be if it were calculated using a discount rate that is one percentage point lower (6.00%) or one percentage point higher (8.00%) than the current rate:

	1.00% Decrease (6.00%)	Current Discount Rate (7.00%)	1.00% Increase (8.00%)
State agency's proportionate share of the VaLORS, VaLORS Retirement Plan			
Net Pension Liability	\$18,405,000	\$13,470,000	\$9,412,000

Pension Plan Fiduciary Net Position

Detailed information about the VRS State Employee Retirement Plan's Fiduciary Net Position or the VaLORS Retirement Plan's Fiduciary Net Position is available in the separately issued VRS 2014 Comprehensive Annual Financial Report (CAFR). A copy of the 2014 VRS CAFR may be downloaded from the VRS website at <http://www.varetire.org/Pdf/Publications/2014-annual-report.pdf>, or by writing to the System's Chief Financial Officer at P.O. Box 2500, Richmond, VA, 23218-2500.

10. RISK MANAGEMENT

The Department is exposed to various risks of loss related to torts; theft or, damage to, and destruction of assets; errors and omissions; non-performance of duty; injuries to employees; and natural disasters. The Department of Alcoholic Beverage Control participates in insurance plans maintained by the Commonwealth of Virginia. The state employee health care and worker's compensation plans are administered by the Department of Human Resource Management and the risk management insurance plans are administered by the Department of Treasury, Division of Risk Management. Risk management insurance includes property, general liability, medical malpractice, faithful performance of duty bond, automobile, and air and watercraft plans. The Department of Alcoholic Beverage Control pays premiums to each of these Departments for its insurance coverage. Information relating to the Commonwealth's insurance plans is available at the statewide level in the Commonwealth of Virginia's Comprehensive Annual Financial Report.

11. CONTINGENT LIABILITIES

A. Legal Proceedings

The Department is named as a party in several legal proceedings. It is not possible at the present time to estimate ultimate outcome or liability, if any, of the Department in respect to the various proceedings; however, it is believed that any ultimate liability resulting from these suits will not have a material, adverse effect on the financial condition of the Department.

B. Bailment Inventory

The Department houses and controls bailment inventory in the warehouse and is therefore responsible for the exercise of reasonable care to preserve the inventory until it is purchased by the Department or returned to the supplier. The Department uses the bailment system for payment of merchandise for resale. The Department initiates payments to the vendors based on shipments from the ABC warehouse to the retail stores, rather than receipt of invoice from the vendor. At June 30, 2015, the bailment inventory was valued at \$43,022,911.12.

Notes to Required Supplementary Information

For the Year Ended June 30, 2015

Changes of benefit terms – There have been no significant changes to the System benefit provisions since the prior actuarial valuation. A hybrid plan with changes to the defined benefit plan structure and a new defined contribution component were adopted in 2012. The hybrid plan applies to most new employees hired on or after January 1, 2014 and not covered by enhanced hazardous duty benefits. The liabilities presented do not reflect the hybrid plan since it covers new members joining the System after the valuation date of June 30, 2013, and the impact on the liabilities as of the measurement date of June 30, 2014 are minimal.

Changes of assumptions – The following changes in actuarial assumptions were made for the VRS–State Employee Retirement Plan effective June 30, 2013 based on the most recent experience study of the System for the four-year period ending June 30, 2012:

- Update mortality table
- Decrease in rates of service retirement
- Decrease in rates of withdrawals for less than 10 years of service
- Decrease in rates of male disability retirement
- Reduce rates of salary increase by 0.25% per year

The following changes in actuarial assumptions were made for the VaLORS Retirement Plan effective June 30, 2013 based on the most recent experience study of the System for the four-year period ending June 30, 2012:

- Update mortality table
- Adjustments to the rates of service retirement
- Decrease in rates of withdrawals for females under 10 years of service
- Increase in rates of disability
- Decrease service related disability rate from 60% to 50%

Want A Hat With That?

Agency Partners with Virginia Tourism Corporation

Virginia ABC partnered with Virginia Tourism for a summer promotion of Virginia-made products using the famous Virginia is for Lovers logo.

This program provided customers in select Virginia ABC stores across the Commonwealth with a complimentary Virginia is for Lovers trucker hat with the purchase of a 750 milliliter bottle of a Virginia-made wine or spirit. This was the first collaboration between ABC and Virginia Tourism and demonstrated the many benefits of agencies working together across different Secretariats toward a common goal.

Initially offered in five stores, the popularity of the giveaway led to an expansion into additional retail locations. Stores in Richmond, Williamsburg, Virginia Beach, Warrenton and Vienna were joined later by additional stores in Harrisonburg, Williamsburg and Virginia Beach.

The ten most popular Virginia products sold in participating stores were:

1. Beach Vodka
2. Bowman Brothers Whiskey
3. Belle Isle Premium Honey Habanero Moonshine
4. Cirrus Vodka
5. John J Bowman Bourbon
6. Copper Fox Whiskey
7. Spirits of the Blue Ridge Vodka
8. Filibuster Bourbon
9. Reservoir Bourbon
10. Commonwealth Gin

Additionally, employees in participating stores wore sleek co-branded polo shirts throughout the program. Media coverage helped spread awareness of the initiative and customers frequently posted photos of their hats to social media.

The popularity of the program, which lasted from Memorial Day to Labor Day, translated into impressive retail figures as sales of Virginia craft spirits and wine increased by more than 100 percent during the partnership. Sales of more than 9,400 bottles at participating stores generated revenues of more than \$196,000.

The overwhelming success of the program encouraged plans for additional customer-driven partnerships between Virginia ABC and Virginia Tourism.

OPERATION IMPAIRED DRIVING

The Bureau of Law Enforcement implemented a campaign to raise public awareness about Virginia ABC's niche efforts to reduce DUIs by educating restaurant bartenders, wait staff and managers to recognize intoxicated patrons and avoid over service of alcohol to those customers. The campaign also aimed to enhance awareness among licensees of the agency's free training programs (RSVP and MART) which educate restaurant employees on the signs and symptoms of intoxicated patrons, Virginia's alcohol laws and the illegality of over serving patrons. Funded by a \$21,000 NLLEA grant from the National Highway Traffic Safety Administration, the campaign kicked off on Labor Day weekend and continued through the winter holidays to January 31, 2015.

YADAPP

Continuing the legacy of outreach to high school students, the agency's Education and Prevention section hosted the 30th Youth Alcohol & Drug Abuse Prevention Project (YADAPP) in Farmville. More than 450 teens and adults from across the commonwealth participated in the week-long July conference.

ENFORCEMENT REORGANIZATION

Responding to the rapidly growing population base in the Commonwealth's Piedmont area, the Bureau of Law Enforcement created a ninth region when it opened its Charlottesville regional office. This office offers improved public access to residents and businesses located in the city of Charlottesville and the counties of Albemarle, Culpeper, Fauquier, Fluvanna, Greene, Louisa, Madison, Orange and Rappahannock. In addition, the Bureau created and staffed two new regional agent in charge (RAC) positions to enhance communication between central office leadership and the agency's nine enforcement regions.

80TH ANNIVERSARY

Governor Terry McAuliffe hosted Virginia ABC for a special reception at the executive mansion to mark the agency's 80th anniversary year. The November 24th event featured an exhibit of ABC historical memorabilia and honored long-serving Virginia ABC employees.

FIELD SUPPORT VEHICLE

The Bureau of Law Enforcement partnered with members of the agency's Education team to bring a prevention and responsible consumption message to students at the University of Richmond on September 22, 2014. This outreach effort also extended to the campuses Virginia Tech and the College of William & Mary. More than 1,500 students toured the FSV.

MISS VIRGINIA VISITS

Virginia ABC has a long-standing partnership with the Miss Virginia Organization. The agency's Education and Prevention Section staff worked with Miss Virginia, Courtney Garrett, on the Miss Virginia School Tour. Crowned in August 2014, Garrett traveled to elementary schools across the Commonwealth to spread a message of health, wellness and prevention to both students and teachers.

BOLT

Virginia ABC launched a new initiative to stop underage drug and alcohol use among youth. Bringing Outstanding Leaders Together (BOLT) against drugs and alcohol delivered alcohol abuse prevention messages to middle school audiences via high school mentors. Introduced in the spring to youth in Tidewater and Roanoke, these one-day events were hosted by community coalitions through a partnership with the agency. In addition to a presentation by keynote motivational speaker Charles Clark, the free events included activities, giveaways, peer-led experiential learning, and valuable information from community coalition partners.
