## Regulatory Violations

A large portion of the work performed by Virginia ABC Special Agents involves the enforcement of rules and regulations applicable to ABC licensees. Violations can be dealt with by issuing a written warning or by presenting a violation case to the ABC Hearings Division. These violations can be punishable by fines, suspension or revocation of the ABC license.

### Regulatory Charges Placed by Region

This table represents the total number of regulatory actions that were placed by enforcement personnel in the fourth quarter of 2022. Violations were routed to the hearings division for later adjudication while warnings were noted in the licensee file.

## Field Contacts

A field contact is when an agent engages a citizen and conducts a brief interview. When an arrest does not occur as a result of a field interview, agents report the stop in a “Field Contact” report. This report documents the reason for the stop as well as identifying information about the individual. Scrutiny of these types of encounters enables law enforcement executives as well as citizens to monitor police/citizen interactions to guard against biased-based policing practices.

# Internal Investigations

Any complaint alleging improper action or improper conduct by an employee, if job-related or in violation of the Standards of Conduct, other policies of the Bureau, Department of Human Resource Management, the ABC Policy and Procedures Manual, or criminal law, will generate an administrative internal investigation. There are two types of internal investigations that are conducted by the Bureau; Formal and Informal (the difference is explained below). Both types of investigations are documented and reported through the chain of command.

## Formal Complaint(s)

Formal complaints involve allegations that are investigated by trained Internal Affairs investigators and, if substantiated, can lead to formal and significant disciplinary action.

# Inspections / Observations

## Licensee Inspections Completed

All ABC licensed establishments are subject to inspection by ABC agents. These inspections are overt; the agent will inspect the premises for compliance with regulatory requirements, meet with the owner or manager to review business receipts and purchasing records, review previously submitted MBARs and answer any questions business employees may have about ABC laws and requirements.
